MESSAGE FROM TOWN MANAGER, BILL ZELL

In the spring time here in Aberdeen there are at least two guarantees, one is lots of yellow pine pollen and the other is the Town will be going through its budget process. Lucky for a lot of us the pollen season doesn't last as long as the budget season. We always start the budget in mid-February and finish on the third Monday in June when the Board of Commissioners votes to adopt it.

Aberdeen's budget year always runs from July 1 to June 30, of the next year. Our budget is small in comparison to our larger neighbors, but still it has grown steadily over the past ten budgets that I've been involved, rising from the mid four millions on the general fund budget to the mid six millions currently.

Our two largest revenue sources for the general fund budget (this is where fire service, police, buildings and grounds, administration, finance, streets, sanitation, beautification, planning, parks and recreation, special appropriations, and contributions are funded), are the ad valorem property tax, which includes your home, autos, and business property and sales tax. These two revenue sources combine to cover between 65 and 70

percent of general fund revenue.

Some of the items that the Board of Commissioners (BOC), will be considering to include in next year's budget will be whether we will reenter the State of North Carolina's Main Street Program, should we purchase a new knuckleboom truck for picking up limbs and debris, add a 2 percent COLA for the employees, make contributions to certain nonprofit groups, finance new police vehicles and whether or not to raise taxes.

Usually when we hear that our governing bodies are considering a tax hike we always cringe. I want to break it down, in hopefully easy to understand language, what a penny tax increase would mean to you. What we all pay in ad valorem taxes is solely based on what our property value is on July 1st of any given year. Let's say your property is valued at \$175,000, where a one penny increase in the tax would mean that you would pay an additional \$17.50 in taxes or approximately an additional \$1.46 per month. For easy to remember numbers a penny of tax costs you \$1.00 per each \$10,000 in property value.

Putting our budget together takes all of us. Each department head

prepares their budget for the year and then presents it to the manager to incorporate it with the whole budget. They also prepare a power point presentation for the BOC to inform them of what their needs will be for the coming year. This way the BOC doesn't just see the compilation of the budget without some insight into what each of the departments have asked for. Usually by the end of April, we (the manager and finance officer) are ready to present the budget to the BOC. The budget calendar, which is prepared and distributed back in February usually allows up to four separate meetings with the BOC.

Where you the citizens of Aberdeen help in the budget process is at the June regular Town Board Meeting, where the manager presents the annual budget message, which summarizes what the budget will be for the next year. We do this in the form of a public hearing where comments from the BOC and the public are welcomed. This is where you can ask questions and get answers regarding the decisions that have been made. The budget is then put on our website and on the next Monday evening following the public hearing the BOC will meet to adopt the budget.

2011 SEWER COLLECTION SYSTEM PERFORMANCE REPORT

Overall the Town of Aberdeen's system performance is good. The main problems consist of root, grease, inflow and infiltration. The Public Works Department is currently replacing old lines, video taping other trouble areas, and sealing older manholes.

2011 There were no violations.

Spills that were less than the required overflow, we have not listed. Spills that do not enter surface waters are dammed up to prevent spreading downstream and treated with an application of lime and then removed and taken to the Moore County Waste Water Treatment Plant.

I certify under penalty of law that this report is complete and accurate to the best of my knowledge. I further certify that this report has been made available to the users or customers of the named system and that those users have been notified of its availability.

-James Robert Matthews, Steve Templin, and William R. Monroe

Facility/System Name: Town of Aberdeen

Responsibility Entity: Town of Aberdeen Public Works Department

Person in Charge/Contact: James Robert Matthews (910-944-7012)

Alternate Contact: William R. Monroe (910-944-7012)

Applicable Permit (s): Grade II Collections System Only

Description of Collection System or Treatment Process: Approximately 20 miles of sanitary sewer main; approximately 2 miles of sanitary forced sewer main; 8 sewer lift pump stations – treatment is provided by Moore County.

SWIMMING POOL SAFETY

Above ground pools with circulating pumps must be ground-fault protected. A Ground Fault Circuit Interrupter (GFCI) device is required to prevent electrical shock. Homes built within the past ten years should have outside receptacles that are GFCI protected. Homes older than ten years may not have GFCI protection. If you are unsure, have a qualified person check. All pools do require permits and inspections. Please check with the Town's Planning and Inspections Department if you have any questions at 944-7024.

MUSIC IN THE PARK

Aberdeen Parks and Recreation Department is sponsoring "Music in the Park" concerts this summer. This season is bringing a blend of local and regional talent to Aberdeen Lake Park.

This series was developed with the intent of exposing a variety of styles of music to the citizens. These concerts include family fun with music for everyone!

With the support of the Arts Council of Moore County, the Parks and Recreation Department can offer these concerts to the public free of charge.

The first concert in the series is on Saturday, June 2nd. The Army Jazz Band will be performing jazz numbers and songs for all ages!

Vendors will be onsite selling food and drinks.

The public is invited to bring blankets and lawn chairs, but please **no** coolers, alcoholic beverages, or pets. All concerts begin at 6:00 p.m. and conclude between 8:00 p.m. - 9:00 p.m.

For additional information, please contact Parks and Recreation Director Leigh Baggs at 944-PARK (7275) or at lbaggs@townofaberdeen.net.

MESSAGE FROM THE POLICE DEPARTMENT

As spring unwinds and summer approaches most of us look forward to spending a lot more time outside and going places. The weather is nice and we want to take our most faithful companions with us. No, I am not talking about our spouses and children, I am talking about the ones that don't moan, groan, gripe, and complain when we have to make that "one" more stop - it's the family pet.

We love our pets and we want to offer them a change of pace and give them the chance to go with us.

We have to be careful when taking our pets out. Remember that pets can't go into every store, not all businesses are pet friendly. When you take your pet, plan your outing with your pet in mind and limit travel to those places that do welcome our four legged companions. Remember when a car is closed up on a hot day it is no place for any person or animal.

Davis Instruments did a study in 2002 on how hot it can get in parked cars. Does this really sound like something you want to put your pet through? The following are some of the results from the study:

- On a day when the outside temperature was 73° Fahrenheit, it took only 20 minutes for the temperature sensor inside the car to reach a lethal level of 107° Fahrenheit.
- On a day when the outside temperature was 86° Fahrenheit, it took only 10 minutes for the temperature sensor inside the car in the shade to reach a lethal level of 109° Fahrenheit.
- On a day when the outside temperature was 86° Fahrenheit, it took only 5 minutes for the temperature sensor inside the car placed in direct sunlight to reach 132° Fahrenheit.

Cruelty to animals is a crime in North Carolina that is charged by the Aberdeen Police Department and prosecuted by the Moore County District Attorney's office. Leaving your animal in a closed car on a hot day is considered to be cruelty to animals and the state statute will be enforced.

Enjoy the warm weather but take the necessary steps to protect the members of your family that have no voice. Plan your trips to pet friendly locations or travel with another person and leave them in the car with the pets to make sure that the A/C stays on while you are out of the car.

NEW BUSINESS LICENSE SCHEDULE AND RATES

Anyone doing business in the Town of Aberdeen is required to have a Privilege/Business License. The Board of Commissioners recently adopted a new Ordinance to collect fees based on gross receipt for retail/grocery/general/wholesale/distributors/manufacturers. The information and sample forms were mailed out to all businesses that would be affected by this change. Also, the information will again go out in the mail for the renewals and how to figure your new fees will be enclosed. If you didn't receive a letter or for more information, contact Shelbi O'Brien at (910) 944-7799 or sobrien@townofaberdeen.net.

MESSAGE FROM THE FIRE DEPARTMENT

Spring is upon us and summer is moving in fast. We'd like to take a moment to remind you to discuss and practice escape plans with your family. In the event of a fire, remember time is the biggest enemy and every second counts! Make it a routine to practice a home escape plan frequently with your family.

Develop a home fire escape plan and designate a meeting place outside. Make sure everyone in the family knows two ways to escape from every room. Practice feeling your way out with your eyes closed or blindfolded. This is a great activity that is fun for children, because they are learning at the same time. Remember to **never** stand up in a fire, always crawl low under the smoke and try to keep your mouth covered. **Never** return to a burning building for any reason; it may cost you your life. Practice your escape plans during the day and at night. The better you and your family know how to escape, the better your chances are in the event of a real fire.

PUBLIC INPUT NEEDED!

The Town of Aberdeen Parks and Recreation Department is conducting a Public Hearing on the Comprehensive Plan for Parks, Recreation Programs, Special Events, Greenways, and Open Space on Thursday, May 10th at 5:30 p.m. at the Aberdeen Recreation Station. The purpose of the public meeting is to receive comments from citizens about their needs and wishes for parks and recreational opportunities in Aberdeen.

This public comment meeting is part of the process utilized by Site Solutions, who has been hired by the Town of Aberdeen to prepare this document. Site Solutions has completed an Inventory of Existing Facilities and Analysis of Community Standards. These two chapters of the Comprehensive Plan can be reviewed on the Town's website under the Parks and Recreation Department's section.

If you cannot attend this meeting, but would like to express comments or for additional information, contact Leigh Baggs at 944-PARK or lbaggs@townofaberdeen.net.

REMINDER FOR UTILITY PAYMENTS

Please remember that there is a \$5.00 or 5% late fee added to all bills not paid by 5:00 p.m. on the 21st of May. Those bills not paid by 5:00 p.m. on the 5th of June will have a \$25.00 penalty added to the account and will be disconnected on **Wednesday, June 6, 2012.**

ABERDEEN CELEBRATES AMERICA'S BIRTHDAY

Aberdeen plans to celebrate America's Birthday with a day of fabulous fun activities on Wednesday, July 4th. The 2012 "Fun Family Fourth of July" sponsored by the Aberdeen Parks and Recreation Department, will be held at Aberdeen Lake Park.

The Town of Aberdeen's 48th Annual Celebration will offer entertainment and activities for people of all ages. Activities and games will start at 5:30 p.m., with live music beginning at 6:00 p.m.

Admission is free to the park. Children can purchase a wrist band for \$3.00, which will allow them to participate in games and a variety of activities, win prizes, and have their face painted.

Some of the activities include face painting, inflatable bouncy castles, and games. The games for children and teenagers include duck pond, patriotic bean bag toss, basketball toss, crafts, and American bead necklaces. Glow in the dark necklaces and American flags will be sold by two local organizations. Pony rides will also be available for children.

Red, white and blue colors will adorn the park as folks gather to honor America and to celebrate this patriotic day! Citizens of all ages are encouraged to dress in their patriotic colors and participate in the costume contest. Prizes will be awarded in the Most Patriotic, Best Costume, and Most Original Costume.

There will be several food vendors present selling funnel cakes, barbecue, lemonade, hot dogs, Philly steak sandwiches, tacos, sodas, Italian icees, pop corn, and cotton candy.

Grab your blankets and lawn chairs and bring the family and friends. **Please no pets, no alcoholic beverages, no personal fireworks, and no coolers!**

The day will conclude with one of the largest and most exciting fireworks displays in the region. For additional information, please call the Aberdeen Parks and Recreation Department at 944-PARK.

YOUTH ATHLETICS
