## Message from Town Manager, Bill Zell

The Community Development Block Grant, or CDBG as it's more commonly called, has been great for the Town of Aberdeen over the years. It has allowed for the rehabilitation of homes, for new home construction, along with the installation of water and sewer lines and the connection to many homes in the Berkeley, Midway and Broadway communities.

Congress amended the Housing and Community Development Act of 1974 (HCD Act) in 1981 to give each State the opportunity to administer the CDBG funds, because they felt that the States are in the best position to know how to respond to the needs of local governments. The primary statutory objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment and by expanding economic opportunities, principally for persons of low and moderate income. The State must ensure that at least 70 percent of its CDBG grant funds are used for activities that benefit low and moderate income persons over a one, two or three year time

CDBG funds can be used for many kinds of community development activities including, but not limited to, acquisition of property for public purposes; construction or reconstruction of streets, water and sewer facilities, neighborhood centers, recreation facilities, and other public works; demolition; rehabilitation of public and private buildings; public services; planning activities; assistance to nonprofit entities for community development activities; and

assistance to private, for profit entities to carry out economic development activities (including assistance to micro-enterprises).

Each year the Town of Aberdeen applies for the various CDBG grants for specific projects. Some of the recent projects awarded to Aberdeen were the \$850,000 Bethune St. project where five homes were rehabbed along with three new Habitat Homes added, the sewer line connection to all the homes, the street was widened and a sidewalk was put in place (2010), and an infrastructure grant for \$250,000 for roads, water and sewer lines and sidewalks in Midway Gardens (2011). Recently the Town received a \$225,000 for two of our local businesses to create up to 17 new jobs in our downtown area (2012).

Our Town Board of Commissioners approved a new employee position this year for a Community Development Planner, who will be responsible for investigating the needs of our neighborhoods and businesses for future CDBG grants. Jae Kim was hired to fill this position and he started on July 2<sup>nd</sup>, but Jae had already been working for the Town as an intern since May of 2011, as he was finishing up his Master's Degree in Public Affairs from UNC-Greensboro. So he's been able to hit the ground running and hopefully will be producing lots of CDBG grants in the future.

If you think you could benefit from one of these grants for a neighborhood or a business related issue please contact Jae Kim at jkim@townofaberdeen.net or (910) 944-4514, and let him see if your idea qualifies.

The 20<sup>th</sup> Annual Sardine Festival will be on Friday, October 12, 2012 at

Aberdeen Lake Park. The activities will begin at 11:00 a.m. and conclude around 2:00 p.m. Everyone is invited to join their family, friends, neighbors, Town officials and staff at Aberdeen Lake Park for a lunch of sardines. crackers. Moon Pies. RC Colas. and

The sardines and other delicacies are free, but people are encouraged to make a small donation. The donations support youth athletic programs in Aberdeen and across

Moore County.

The Sardine Festival started many years ago when the late Mr. Randall Moss wanted to eat his lunch of sardines and crackers in his office. His daughter Kay promptly told him to take that smelly lunch somewhere else...like eat it at the park. Randall did just that and invited all his friends to join him! Thus the unique Sardine Festival was created at Aberdeen Lake Park!

Through the years many Sardine Queens have been crowned. All have been proud title holders and represented the Festival extremely

well in the community. The tradition continues this year, with the 2012 Queen arriving on a fire truck around 12:00 noon.

Tee shirts and hats will be on sale, so plan to purchase your commemorative shirt of this fun day!

The Sardine Festival is sponsored by Mr. Jamie Boles, his friends, and the Town of Aberdeen Parks and Recreation Department.

For more information about the Sardine Festival, call the Aberdeen Parks and Recreation Department at (910) 944-7275 or Jamie Boles at (910) 692-6262

## Citizens Academy Program (CAP)

The 7<sup>TH</sup> Annual Citizens Academy Program is a unique opportunity for citizens to learn about Aberdeen Municipal Government in order to foster a better understanding and working relationship between the two. The Citizens Academy requires a time commitment on Tuesday evenings from 5:30 p.m. - 7:30 p.m. for seven weeks. Dinner will be served to participants at each session from local Aberdeen restaurants. Participants will be selected on a first-come, first-serve basis.

Citizens will be interested in attending for many reasons including an expectation to become better acquainted with the town and its programs and services, learning about the policies and procedures of town government, meeting new

people, or finding ways to volunteer in the community.

There is no cost to individuals who attend the sessions. The sessions will begin on Tuesday, September 11, 2012 and will be held each Tuesday evening for 7 weeks at various Town locations. Site visits will include trips to the public works, police, and fire departments, and parks and recreational areas.

To sign up for this program, please come by the Town Hall and complete a brief application with Town Clerk Regina Rosy, or you may download an application directly from the Town's website at www.townofaberdeen.net.

Don't miss out on this opportunity to learn more about how the Town of Aberdeen operates.
