## Parks & Rec Update

With the start of the new fiscal year, it is a busy time in Parks and Recreation. We are working on several park projects, as well as continuing to grow our programs, events, and athletics.

A new sign for the Aberdeen Lake Park/Parks and Recreation Department is in the works. This sign will be placed at the corner of W. Maple Street and US-1, and will not only inform citizens of the park and the Parks and Recreation Department, but will also highlight upcoming programs and events. We will also begin work on the Sharpe Park playground. We will be replacing one of the pieces of equipment, with an eye toward completely renovating the playground in the next few years. Finally, we will be refurbishing the infields of the Colonial Heights ball fields. The infields will be laser graded, with new material being added to make the playing surface more playable and safer for participants. We are very excited to work toward making the Aberdeen Parks and Recreation facilities even better for the citizens of Aberdeen.

If you have any questions regarding the parks or park rentals, or you are interested in the many programs we have to offer, please feel free to contact us. We are also always looking for suggestions for programs residents are looking to see, or for instructors who are interested in teaching. The Aberdeen Parks and Recreation Department can be reached at (910) 944-7275, emailed at [aprd@townofaberdeen.net](mailto:aprd@townofaberdeen.net), or you can also follow us on Facebook!

## Citizens Academy Program

*A Message from Town Commissioner Joe Dannelley: A Personal Invitation to join me as a CAP Alumni*

*I would like to invite you to complete the Citizens Academy Program (CAP) which starts Thursday, Oct 8<sup>th</sup>. As a graduate of the CAP in 2012, I can attest to the positive impact it had on my awareness of how municipal government works across the spectrum of departments charged with providing our Town the services we all rely on. Since the completion of last year's CAP, which was one of the most well attended in several years, the Board of Commissioners established a vision for the town and also approved six goals with associated objectives. The CAP will provide you information on the tools the Town has to work towards the accomplishment of those goals and objectives in support of the Town's vision. Please contact Regina Rosy at 944-4515 to sign up for this opportunity to become more informed, meet fellow citizens and possibly be led to an opportunity to serve in some future capacity.*

## Sardine Festival

The 23<sup>rd</sup> Annual Sardine Festival will be held on Friday, October 9, 2015 at Aberdeen Lake Park. The activities will begin at 11:00 a.m. and conclude around 2:00 p.m. Everyone is invited to join their family, friends, neighbors, Town officials and staff at Aberdeen Lake Park for a lunch of sardines, crackers, Moon Pies, RC Colas, and Cokes.

The sardines and other delicacies are free, but people are encouraged to make a small donation. The donations support youth athletic programs in Aberdeen and across

Moore County.

The Sardine Festival started many years ago when the late Mr. Randall Moss wanted to eat his lunch of sardines and crackers in his office. His daughter Kay promptly told him to take that smelly lunch somewhere else...like eat it at the park. Randall did just that and invited all his friends to join him! Thus the unique Sardine Festival was created at Aberdeen Lake Park!

Through the years many Sardine Queens have been crowned. All have been proud title holders and represented the Festival extremely

well in the community. The tradition continues this year, with the 2015 Queen arriving on a fire truck around 12:00 noon.

T-shirts will be on sale, so plan to purchase your commemorative shirt of this fun day!

The Sardine Festival is sponsored by Mr. Jamie Boles, his friends, and the Town of Aberdeen Parks and Recreation Department.

For more information about the Sardine Festival, call the Aberdeen Parks and Recreation Department at (910) 944-7275 or Jamie Boles at (910) 692-6262.
