TOWN OF ABERDEEN OUTDOOR SPECIAL EVENT GUIDELINES

For purposes of this Policy, “Special Event” is defined as an event held for recreational, cultural, entertainment or community life purposes. Special events and community festivals can promote tourism, showcase local talent and expose artists and performers to new audiences, invigorate community spirit, and provide economic and social benefits to a community. Examples of Special Events include cultural or ethnic festivals, athletic events, and musical concerts, though other types of events may also be included. In recognition of this philosophy, the Town of Aberdeen encourages events which promote cultural activity and the economic vitality of our Town.

- The general health, safety, and welfare of the participants in the event and the citizens of Aberdeen.
- The impact and /or cost of the event on Town support services.
- The frequency of the event or similar event(s).

OUTDOOR SPECIAL EVENT RULES & REQUIREMENTS

1. Security and Public Safety

Security

It is the Event Organizers responsibility to provide security through the Town of Aberdeen Police Department, if it is deemed necessary by the Parks and Recreation Director and Police Chief. The appropriate number of extra-duty and /or on-duty officers will be determined by the Chief of Police or his/her designee in consultation with the Event Organizer.

The event Organizer should understand the following:

- If the Town of Aberdeen determines that security is needed for an event, that security must be coordinated through the Aberdeen Police Department. The expense of providing extra-duty officers for the event is the responsibility of the Event Organizer. The cost is \$45/hr. per officer.

Contact the Aberdeen Police Department at (910) 944-9721 for more information.

Public Safety

In compliance with the Aberdeen and North Carolina State Fire Prevention Code, the Aberdeen Fire Department may require the applicant to develop a plan for provision of safety services, both for the participants of the event and for persons directly or indirectly affected by the event. This plan must be reviewed and approved by the Aberdeen Fire Department before a permit can be issued.

If required, the Event Organizer's plan may be required to include:

- An emergency vehicle access map into and out of the event area,
- A fire protection plan if the event includes activities that may present a fire risk,
- A parking plan,
- A concession placement map,
- An EMS "first responder" and/or ambulance service coverage plan
- Crowd Control Managers are required for any event over 1,000 participants. At that point, one crowd manager is required for every 250 people.

In compliance with the North Carolina State Fire Prevention Code, the Aberdeen Fire & Rescue Department requires any event with expected attendance over 300 persons to develop an Emergency Action Plan for provision of safety services, both for the participants of the event and for persons directly or indirectly affected by the event.

An Emergency Action Plan, or EAP, defines the coordination of necessary actions by the Host Organization and the responsible municipal, county, and State officials to provide for timely notification, warning, and evacuation in the event of an emergency.

Your EAP must be tailored to site-specific conditions as required by the Aberdeen Fire and Rescue Department before a permit can be issued. The deadline for submission of an EAP is no later than 14 days in advance of the event. The EAP outline should adhere to the following standard rules of order:

1. General Summary Paragraph
2. Purpose of Emergency Action Plan
3. Assumptions of Emergency Action Plan
4. Basic Plan
 - a. Event Director Contact: Name & Number
 - b. Emergency Notification Procedure
 - c. Severe Weather

Every EAP must include reference to the "30/30 Rule for Lightning" (when length of time in seconds between a lightning flash and its subsequent thunder is 30 seconds or less, remain under cover until 30 minutes after the final clap of thunder).
 - d. Fire
 - e. Medical Emergencies
 - f. Law Enforcement
 - g. Emergency Vehicle Access
 - h. Evacuation or Egress
5. Event Emergency Contact Information (Primary, Secondary, Police, Fire & Rescue)
6. Event Area Map

Site Plan/Route Map

To ensure appropriate review of your event, a site plan should be included in your special event application. It is preferred that you submit computer assisted drawings (CAD) of your event site. If CAD plans are not possible, your site plan should be produced in a clear and legible manner. Site plans should be submitted in an 8 ½" x 11" or 8 ½" x 14" standard format. Site plans/route maps should include location of all barricades, tents, portable/prefabricated and site built structures such as stages, platforms and bleachers, vendor booths, portable restroom facilities, electrical supply points, generators and key equipment locations, emergency egress and evacuation routes which are integral to the production of the event.

Based on your event plan and components, Aberdeen Fire & Rescue Department may require an inspection of your event site before and/or during the event.

Contact the Aberdeen Fire Department at (910) 944-7888 for additional information.

2. Sanitation and Recycling

The Event Organizer is responsible for making arrangements for litter and debris cleanup of the special event site both during and after the event. The Event Organizer is responsible for all costs should the Town be required to clean up following the event. **Contact the Public Works Department at (910) 944-7012 for more information.**

The Town of Aberdeen encourages recycling at all events – trash and recycling cans are available for rent from the Aberdeen Public Works Department, (910) 944-7012. The cost is \$30/bin.

The Event Organizer should understand the following:

- The Event Organizer is responsible for arranging for the proper disposal of grease and other similar waste with a private service or agency in advance of the event.
- The Event Organizer will post an additional \$50.00 clean-up deposit to be included with the Outdoor Special Events application if grease or other similar waste will be utilized in the event.

The Event Organizer should understand the following:

- If required by the Town's Risk Manager, the Event Organizer must furnish a fully paid liability damage insurance policy procured from a company licensed to do business in North Carolina. This policy must protect the Town of Aberdeen, its officers, officials, employees and agents from any and all claims for damages to property and/or bodily injury which may result from or in connection with any of the operations carried on by the permittee of the Festival or Special Event. Specific requirements for the use of electricity must be submitted and approved at the time of the application for a special event permit. It is the responsibility of the Event Organizer to provide adequate on-site toilets to facilitate the specific needs of their event. Events with co-sponsorship agreements with Town of Aberdeen are not exempt from this requirement and are responsible for the costs incurred. The number of toilets is determined by the type and size of event in consultation with the Town of Aberdeen Parks and Recreation Department. Handicapped accessible toilets are required for all special events requiring portable toilets. All portable toilets must be maintained daily if contracted for a multiple day event.

6. Noise

Permission to include music or amplified sound, including megaphones, as part of a special event may be given, provided that compliance with the Town's noise ordinance is assured. Event Organizers should be sensitive to local businesses and residences when preparing sound equipment for special events. The Town reserves the right to limit the sound amplification equipment so that it will not unreasonably disturb non-participating persons around the event. **Complaints of loud, disturbing, or unnecessary noise can result in the immediate revocation of the permit by the Town of Aberdeen Police Department.**

7. Food Sales

If the event includes food the Event Organizer is responsible for arranging for all food permits (4) four weeks prior to the event, from the Moore County Environmental Health Department, phone (910) 947-6283.

9. Alcohol

The only alcoholic beverages that may be sold, distributed, possessed or consumed on Town property are malt beverages and unfortified wine when such use is authorized in a permit for an outdoor special event. Such use may be authorized only when the Aberdeen Parks and Recreation Department determines that such use will not materially endanger the public safety and will not unreasonably disrupt surrounding property owners, when the Chief of Police or the Chief's designee has reviewed and approved the application and permit, and when the applicant establishes to the Parks and Recreation Department: (a.) that it is a not-for-profit entity; and (b.) that any license for the sale or distribution required by the Alcoholic Beverage Commission has been obtained. The permit will specify whether malt beverages or wine are permitted at an outdoor special event and, if so, what conditions are required.

10. Tents & Other Structures

About Co-Sponsored Events

Aberdeen Parks and Recreation Department co-sponsors many outdoor Special Events and Festivals. Much time and planning in addition to financial resources, goes into these events. Through co-sponsorship, the Town may provide: staff support, logistical support, equipment usage, technical assistance and other in-kind support.

The Department is very concerned about its role with co-sponsored events. These events add to the life of the community and help to bring the community together. They foster economic growth and contribute to the overall quality of life we all enjoy in Aberdeen. Because of the demands placed on the Aberdeen Parks and Recreation Department and other Town departments during these events, it is impossible to co-sponsor every event that petitions this designation.
