ISSUE May & June 2016

2015 Sewer Collections System Performance Report

Overall the Town's sewer system is in good shape. The main issues encountered in our system stem from inflow & infiltration and root and grease buildup in the lines. The Public Works Department is consistently replacing old sewer lines, videotaping to identify trouble areas, and sealing older manholes.

2015 There were no violations.

Spills that were less than the required overflow, we have not listed. Spills that do not enter surface waters are dammed up to prevent spreading downstream and treated with an application of lime and then removed and taken to the Moore County Waste Water Treatment Plant.

I, certify under penalty of law, that this report is complete and accurate to the best of my knowledge. I further certify that this report has been made available to the users or customers of the named system and that those users have been notified of its availability.

Water/Sewer Superintendent

5th Annual Spring Spree

The Town of Aberdeen in partnership with the Aberdeen Business Guild and the Duskin and Stephens Foundation are sponsoring the 5th Annual Spring Spree Festival on Saturday, May 21, 2016 from 10:30 a.m. to 5 p.m. in Historic Downtown Aberdeen. The festival is open and free to the public for a fun and enjoyable afternoon with family-friendly entertainment, food, arts and crafts.

The festival began in 2011 as collaboration between the merchants from downtown Aberdeen and its local business guild. They wanted to have an event that celebrated and exposed the eclectic mixture of businesses that gave Aberdeen this funky and hip vibe as a community in the County. As more people are moving into the area, they wanted the residents to know and see our beautiful and charming downtown.

The children's entertainment area will be located in the grassy area between Main and South Streets known to locals as the "Y" area. Bouncing castles, pony rides, trackless trains, games, face painting and other events will be provided free of charge.

Arts and crafts merchants will be setting up side by side with local nonprofits from the area. You may find an assortment of beaded jewelers, wood crafters, potters, photographers, and other crafters. Food vendors will also be present for the festival.
