

**ABERDEEN BOARD OF COMMISSIONERS
JUNE 11, 2007 REGULAR MEETING
MINUTES
6:00 P.M.**

The Aberdeen Board of Commissioners met Monday, June 11, 2007 at 6:00 p.m. for their regular Board Meeting. Members present were Mayor Elizabeth Mofield and Commissioners Pat Ann McMurray, Donna Shannon, Arthur Parker, Robbie Farrell and Walter Wright. Others in attendance were Town Manager Bill Zell, Deputy Clerk Regina Rosy, Planning Director Ben Warren and Deputy Planner Patti Jilson. Others in attendance were Planning Board members Elise Goodwin and Mike Dunn. There were approximately seventy citizens also in attendance.

1. Call to Order

Due to the huge crowd in attendance, Mayor Mofield did not call the meeting of the Aberdeen Board of Commissioners to order until 6:10 p.m. in order to find seating for everyone. She welcomed all those in attendance. She then stated there were several Public Hearings to be held.

PUBLIC HEARINGS

a. Application for Conditional Use Permit CU#07-05 submitted by David Dozier for a home occupation (hair salon) to be located at 36104 US Hwy. 1, Aberdeen, N.C.

Mayor Mofield opened the Public Hearing for Conditional Use Permit CU#07-05 for a home occupation to be located at 36104 US Hwy. 1, Aberdeen, N. C. for public comments and Board discussion.

Deputy Clerk Regina Rosy swore in Planning Director Ben Warren and Frank Thigpen due to their intentions to present information at this public hearing.

Planning Director Warren stated Mr. Dozier currently meets the square footage requirements but does not meet the requirement of number of employees. He stated the Planning Board voted unanimously to deny this Conditional Use Permit CU#07-05.

Frank Thigpen stated this is currently a single-family dwelling area and David Dozier plans to put a business in the area. Mr. Thigpen then read an excerpt from the Town Zoning Code that states the house shall be engaged only by residents of the premises and since they would be non-residents, this would be a violation and should be denied. He also stated one bedroom would be used for the hair salon and one bedroom would be used for a nail salon which would destroy the integrity of the house.

Mayor Mofield questioned the square footage issue. It appeared questionable whether the business would indeed only use 25% of the square footage for the business since there would have to be a waiting area, one room for hair, one room for nails, and storage space.

With no further comments from the public or Board, Mayor Mofield declared the Public Hearing on Application for Conditional Use Permit CU#07-05 closed.

- b. Application for Rezoning RZ#06-01 submitted by De Anne Jackson (Quality Built Homes) to rezone approximately 7.66 acres located on the north side of Mofield Way / NC Hwy. 211 between Pine Street and Glasgow Street from I-H Industrial Heavy to B-3 Neighborhood Transitional.**

Mayor Mofield then opened the Public Hearing on Application for Rezoning RZ#06-01 by De Anne Jackson to rezone approximately 7.66 acres located on the north side of Mofield Way/NC Hwy. 211 between Pine Street and Glasgow Street from I-H Industrial Heavy to B-3 Neighborhood Transitional for public comments and Board discussion.

Planning Director Warren stated Mr. Jackson had changed his request from R-10 to B-3.

Commissioner Farrell asked if this property includes wetlands. Planning Director Warren stated it does include wetlands and Mr. Jackson plans to donate these wetlands to the Town of Aberdeen in the future.

Commissioners Parker questioned if the requirements were the same for R-10 as B-3. Planning Director Warren stated the requirements were the same.

With no further comments from the public or Board, Mayor Mofield declared the Public Hearing on Application for Rezoning RZ#06-01 closed.

- c. Application for Zoning Code Text Amendment ZA#07-03 submitted by Planning Staff to add/amend Section 155.013 Roadside Stands to the Zoning Ordinance.**

Mayor Mofield then opened the Public Hearing on Application for Zoning Code Text Amendment ZA#07-03 submitted by Planning Staff to add/amend Section 155.013 Roadside Stands to the Zoning Ordinance for public comments and Board discussion.

Planning Director Warren stated there is currently nothing in the Zoning Code regarding roadside stands. He stated the Planning Department researched what other jurisdictions do about roadside stands and drafted this addition to limit usages of roadside stands.

Mayor Mofield requested that lemonade stands be included in the list of things to include with roadside stands.

With no further comments from the public or Board, Mayor Mofield declared the Public Hearing on Application for Zoning Code Text Amendment ZA#07-03 closed.

d. Application for Zoning Code Text Amendment ZA#07-04 submitted by Planning Staff to change the maximum number of “household pets” allowed per residence from ten (10) to five (5).

Mayor Mofield then opened the Public Hearing on Application for Zoning Code Text Amendment ZA#07-04 submitted by Planning Staff to change the maximum number of “household pets” allowed per residence from ten (10) to five (5) for public comments and Board discussion.

Planning Director Warren stated there have been numerous complaints from Aberdeen residents about the number of pets people have. Planning Director Warren stated the Planning Staff has drafted language to be added to the Zoning Code that would allow no more than five (5) household pets at any one time.

Mayor Mofield asked if fish were excluded. Commissioner Farrell asked what would happen if a dog had puppies. Planning Director Warren stated the reason for this zoning code text amendment is because of the noise and stench from a large number of animals at one residence, so fish would not be a problem and a litter of puppies would only be temporary.

Commissioner Wright questioned what would happen if someone was found to have more than five (5) animals. Planning Director Warren stated thirty (30) days would be given to remedy the violation. After the initial thirty (30) days, seven (7) more days would be given before fines would be issued.

With no further comments from the public or Board, Mayor Mofield declared the Public Hearing on Application for Zoning Code Text Amendment ZA#07-04 closed.

e. **Application for Zoning Code Text Amendment ZA#07-05 submitted by Park at Clearwater to amend Section 155.032 – R-5 Residential District to the Zoning Ordinance.**

Mayor Mofield then opened the Public Hearing on Application for Zoning Code Text Amendment ZA#07-05 submitted by Park at Clearwater to amend Section 155.032 – R-5 Residential District to the Zoning Ordinance for public comments and Board discussion.

Planning Director Warren explained that the property at Park at Clearwater II was resurveyed and it was discovered that several of the buildings were actually closer than five (5) feet from the rear property line. As a result, the applicant is asking that Section 155.032 - R-6 Residential District be revised to read “the minimum required rear yard may be as little as 0.1 feet if at the time of initial construction the rear yard abuts a platted but unopened street at least fifty (50) feet wide.”

With no further comments from the public or Board, Mayor Mofield declared the Public Hearing on Application for Zoning Code Text Amendment ZA#07-05 closed.

Mayor Mofield then opened the Public Hearing on Application for Zoning Code Text Amendment ZA#07-06 submitted by Page Memorial United Methodist Church to amend Section 155.051 – Downtown Retail Overlay District to the Zoning Ordinance for public comments and Board discussion.

Planning Director Warren gave a brief background of the Application for Zoning Code Text Amendment ZA#07-06. He stated Page Memorial Untied Methodist Church owns other land that is not in the Downtown Retail Overlay District that could be used for the assembly center / fellowship hall. He also stated the first 20% on the first floor of the building has to be used for retail purposes.

Richard Mandell, Building Chairman for the Page Fellowship Hall project, gave a very in-depth presentation on why the Town should allow Page Memorial United Methodist Church to use a building in the Downtown Retail Overlay District for an assembly center. He gave the Board a petition signed by downtown merchants that displayed twenty-four (24) merchants approved of a fellowship hall and five (5) disapproved. Mayor Mofield stated the first 20% of the first floor has to

be used for retail use. Mr. Mandell stated it would be used for retail use; Page Memorial plans to rent the building for space.

Joel Stancil, 301 Seymour Street, stated our society is too oriented with retail. He stated his desire to see the fellowship hall located in the Downtown Retail Overlay District.

Steve Saye, a business owner at 111 W. Main Street, stated his opposition to ZA#07-06. He stated he looks at the downtown area in Aberdeen as an opportunity and he believes parking would be a huge issue if this fellowship hall were allowed.

Louise Buchan, 305 E. Main Street, stated her opposition to ZA#07-06 also. She thinks it is the wrong location for a fellowship hall. She wants to maintain the current business district so that more people will come to Aberdeen to shop.

Juanita Auman, 2020 Hwy. 5, stated her concern for the problem the Board is facing. She stated she hopes this issue can be resolved amicably.

Tonya Clark, downtown merchant, stated she will sell all of her businesses in the downtown area if the Town approves this fellowship hall in the downtown area. She said it will ruin her businesses and she will have no part in it.

With no further comments from the public or Board, Mayor Mofield declared the Public Hearing on Application for Zoning Code Text Amendment ZA#07-06 closed.

Planning Director Warren stated the Town Clerk has reviewed and certified this petition and he recommends approval.

Mr. Tony O'Neill stated he owns property nearby and he fears it will decrease his property value. He stated the tax value of his property is

\$400,000 and he believes if a modular home is placed across the street it will hurt his property value.

Mayor Mofield stated this public hearing was to annex property only. Planning Director Warren informed Mr. O'Neill to contact the neighborhood association to see if there are any restrictive covenants to disallow modular homes.

With no further comments from the public or Board, Mayor Mofield declared the Public Hearing on Petition on request for voluntary contiguous annexation submitted by Crestline Homes for property located at 707 Sun Road closed.
