3. New Business

All parties who would like to give evidence or testimony were sworn in before doing so.

a. Update of CLG Grant application.

Ms. Graham gave an update concerning the CLG Grant application. Ms. Graham said that the application did get in a few days before the deadline and that she had gotten a confirmation from the Preservation Office that they had received it. The Preservation Office will announce their awards in April and disbursement should start July 1, 2013. Disbursement would have to be completed by August 15, 2014. The first step would be to start putting together a request for proposals for consultants.

4. Old Business

a. "Remembering Aberdeen"

Ms. Graham gave a slide presentation of old photos of Aberdeen. She informed the Commission that Rickie Monroe had given a box of photos from the Public Works Department that could be used.

Ms. Graham asked if anyone had any thoughts about moving forward with this project. The group needs to get reenergized on the project and either have another event or do another article in the Bon Accord.

A suggestion was made to do an event during July 4<sup>th</sup> and have a canopy down by the lake. It would also be good to hand out flyers about what they were looking for and where to take pictures. Ms. Graham pointed out that it would be too busy to have an event, but to hand out flyers would be good to get the word out. Ms. Graham said they would have to coordinate with Leigh Baggs concerning the handouts.

Mollie Wilson volunteered her services to get things started and design the handout.

5. Other Business

a. Discussion on the Sandhills Regional Training Workshop

Ms. Graham discussed the Sandhills Regional Training Workshop as far as the dates and times. Some of the members present stated that they would like to change the date to April 15<sup>th</sup>. Ms. Graham stated that Mr. Crawford is trying to coordinate with several different municipalities for the workshop, but she will see if there is any flexibility in the dates.

6. Adjournment

A motion was made by Mollie Wilson, seconded by Mike Lashley, to adjourn the meeting. Motion unanimously carried.
