

Edition 21

What is happening with Aberdeen Lake?

Many people have been asking about the water levels in Aberdeen Lake and when it will be full again. The Lake Dam repairs are continuing and will pick up in full force now. The delay in these repairs is entirely based on state permitting from NC Dam Safety. The Town contracted some 18 months ago with an engineering firm to seek the permitting and with several contractors to perform the work. Unfortunately, the delay in permitting has slowed down the completion of the work. The Town is funded for this project incrementally only as the work is performed.

The new completion date is set for early October 2019.

NCDOT will hold a Public Information Meeting on the NC 211 Project

The N.C. Department of Transportation is proposing to improve approximately 15.4 miles of N.C. 211 between U.S. 15/501 in Aberdeen and east of West Palmer Street (S.R. 1244)/Mockingbird Hill Road (S.R. 1311) in Raeford in Moore and Hoke Counties.

A public meeting will be held to present information on the proposed changes. The meeting will be held:

- Thursday, July 25, 2019
4:00 - 7:00 p.m.
Aberdeen Elementary School - Cafeteria
503 N. Sandhills Blvd., Aberdeen

At the meeting there will be maps of the proposed plans as well as project team members who will be available to answer your questions and receive feedback. The public may attend at any time during the meeting hours. Please note there will be no formal presentation.

As information becomes available, it may be viewed at the project webpage:

Sunday Exchange Concert Series

Did you miss The Tams at the July Sunday Exchange Concert Series? Well here is a video (created by Kasey Zumwalt) of all the fun that was had.

The next FREE concert will be Sunday, August 11th starting at 6:00 p.m. Come check out all the fun and listen to [*Sons of MyStro*](#).

Concerts are held at the Exchange Lawn located at 129 Exchange Street (next to the Artists' League) in Downtown Aberdeen. Food trucks and beer tents will be on site to satisfy hunger and thirst needs!

NEW Emergency & Community Alerts System - Sign Up Now!

The Town of Aberdeen has partnered with Nixle to implement its NEW Community Notification System to alert residents in real-time for localized emergency situations and relevant community advisories. The Town wants our residents to be safe and informed during emergencies & special events in our area which may include public safety threats, dangerous weather, water leaks, traffic advisories, and special events. Information is key, and we strongly encourage you to sign up to receive text message alerts directly from the Town of Aberdeen.

As a resident, registering for alerts is easy:

- 1) Text 28315 to 888777 from your mobile phone or
- 2) Go to www.townofaberdeen.net and sign up via the Nixle Widget.

As of August 1, 2019, the Town will no longer use CodeRed, the current notification system. If you currently receive alert notifications from the Town, please register for Nixle to continue to receive notifications after August 1st.
