Live Fire Training Exercise will be held February 25th

The Aberdeen Fire & Rescue Department and other local fire departments will be conducting a live fire training exercise at 820 Carolina Rd. on February 25th from 8:00 a.m. - 5:00 p.m.

This training will involve the burning of the residential structure at this location. There will be heavy smoke in the area from time to time. The plan is to not create any problems to traffic flow, but if possible please try to avoid the area on this date.
