2020 Annual Drinking Water Quality Report

The Town of Aberdeen is pleased to provide you with the 2020 water quality report. The Town did not receive any violations for the year 2020.

The water source for Aberdeen is wells. The wells draw from the Black Creek Aquifers. We routinely monitor for over 150 contaminants in your drinking water. There were no violations in 2020. The sample results can be viewed at: <https://www.townofaberdeen.net/pview.aspx?id=2093&catid=29>.

The Source Water Assessment Program (SWAP) results determine the susceptibility of each drinking water source to potential contaminant source. The complete SWAP Assessment Report for the Town of Aberdeen can be viewed at:

https://www.ncwater.org/?page=600&Action=Swap_Search. The SWAP results and reports are periodically updated by the PWS Section, the results available on this web site may differ from the results that were available at the time this CCR was prepared. If you are unable to access your SWAP report on the web, you may mail a written request for a printed copy to: Source Water Assessment Program - Report Request, 1634 Mail Service Center, Raleigh, NC 27699-1634, or email requests to swap@ncdenr.gov. Please indicate our system name, PWSID #03-63-020, and provide your name, mailing address and phone number. If you have any questions about the SWAP report, please contact the Source Water Assessment staff by phone at 919-707-9098.

Go Paperless on your Water Bill with eBill for a Chance to win a Gift Card

Sign up to receive your water bill by email instead of paper for a chance to win a gift card from a local small Aberdeen business. All water customers who sign up for eBill will be entered into a drawing that will be held June 2nd. Winners will be notified by email and on the Town's Facebook page @TownofAberdeenNC

Sign up by emailing the Utility Department at utilitybilling@townofaberdeen.net or call 910-944-7799.

Some benefits of signing up for eBills are the ability to view your water bill from anywhere on the 1st of the billing month, receive a 2nd notice reminder if payment isn't received by the 20th of the billing month, and the

eBill looks exactly like the paper bill.

Gift and gift cards provided by local small businesses for the drawing include:

- Aberdeen Supply
- Lynette's Bakery
- My Sister's Porch
- Jack Hadden Floral
- Gary's Auto Center
- The Bunker

2020 Sewer Collections System Performance Report

Overall the Town's sewer system is in good shape. The main issues we encounter in our system stem from inflow and infiltration and root and grease buildup in the lines. We are consistently replacing old sewer lines, videotaping to identify trouble areas and sealing older manholes.

2020 - We did not have any violations.

Spills that were less than the required overflow, we have not listed. Spills that do not enter surface water are dammed up to prevent spreading downstream and treated with an application of lime and then removed and taken to the Moore County Waste Water Treatment Plant.

I, certify under penalty of law, that this report is complete and accurate to the best of my

knowledge. I further certify that this report has been available to the users or customers of the named system and that those users have been notified of its availability.
