Town Holiday Closing

In observation of Labor Day, Town administrative offices will be closed Monday, September 6, 2021.

There will be no garbage/recycle pick up on Monday, September 6th. The makeup day will be Wednesday, September 8th.

Become an Aberdeen Ambassador!

Beginning in October, the Town of Aberdeen will host its 13th Citizens Academy Program (CAP). The purpose of the program is to improve understanding, communication, and cooperation between local government and those it serves. The sessions will provide a "toolbox" of information to help citizens navigate the complex system of government operations and services. The program is designed to provide an overview of town government, keeping in mind that providing minute detail is impossible within the established two-hour time constraints. Citizens will be interested in attending for many reasons including an expectation to become better acquainted with the town and its programs and services, learning about the policies and procedures of town government, meeting new people, or finding ways to volunteer in the community. Participants may be representatives from a cross-section of citizens - new and life-long residents; professionals, homemakers, business owners, retirees, civic group leaders, and high school students - all of whom share an interest in becoming better informed about how a town operates.

Specifically, the goals of the Academy are to provide individuals with a better understanding of the town's municipal services, the council-manager form of government, and the challenges local governments face.

The program will help teach and cultivate new community leaders and to help move those new leaders into important positions within the community. The curriculum enables participants to develop leadership capabilities and build strong relationships, and encourage citizen involvement to effect positive change in the community.

Interested participants will submit an application and be selected on a first-come, first-served basis. Applications can be downloaded from the Town's website at www.townofaberdeen.net. Class size will be limited to 15 participants. When class capacity has been met, the excess applications are carried over to the next academy. Applications request the standard information, such as name, address, phone number, e-mail address, and employer name and address, but they also ask for the applicant's birthplace, length of time living in Aberdeen and Moore County, interests and accomplishments, and expectations from the program.

There is no cost to individuals who attend the sessions, but the Town strongly encourages participants to commit the time to attend each program. There will be 3 sessions held Tuesday evenings from 5:30 p.m. – 8:00 p.m. in October and November. Since many participants will arrive directly from work without eating, dinner will be provided during each session.

Traffic Pattern Change for Knight St. & N. Sycamore St.

Effective October 1, 2021, a traffic pattern change will occur on Knight Street & N. Sycamore St. These streets will be turned in to one-way only. N. Sycamore Street will become north-bound traffic only, between Knight Street and W. Maple Street. Knight Street will become east-bound traffic only, between N. Poplar Street and N. Sycamore Street.

Youth Basketball

This league, for ages 4-15, will emphasize learning the basic developmental skills and improving existing skills of basketball. Youth Basketball also focuses on having fun and learning how to be a team. Everyone should expect one week night and a Saturday practice or game. The exact week day schedule will depend on the number of participants. Evaluations for the 9-12 and 13-15 age groups will be held on November 22nd. All dates are subject to change.

Registration Deadline: November 12th
First Practice: Week of Nov. 22nd (subject to change)
