

## Edition 5

### Need a new Smoke Alarm??

The Aberdeen Fire Department is participating in the "Statewide Smoke Alarm Canvassing Day" on June 23rd.

Firefighters will be canvassing neighborhoods in Aberdeen town limits to identify homes that may not have smoke alarms installed, mostly older homes.

Smoke alarms were not always required when a home was built, so if you live in

an older home you may get a visit from Aberdeen firefighters to install smoke alarms. This service (smoke alarms & installation) is FREE to citizens of Aberdeen.

You can always call the Fire Department anytime to have smoke alarms installed, changed out with new ones, or the batteries changed.

Call the Fire Department at 910-944-7888 to have your alarms checked or new alarms installed.

### Phone Scam Warning - Did you get a call from someone needing bail money??

There is a phone scam that has been reported to the Aberdeen Police Department where citizens are receiving a phone call from a "grandson" that has been arrested and needs money for bail. The scam is targeting older citizens

If you receive a phone call requesting bail money, DO NOT give any information, and hang up immediately!!

If you or someone you know received this scam call and gave bank account

and the scammer will have the name of the citizen's grandson.

information report the call immediately to the Police Department by dialing 911.

## Changes are Happening in Downtown

You may have noticed strange brick looking strips across Poplar Street in Downtown. These strips are new crosswalks that have been installed as part of the revitalization in Downtown Aberdeen.

The sidewalks have also been updated to include wheelchair access and curb ramps for the visually impaired.
