

# Town of Aberdeen

## Manager's Message from Paul Sabiston

The Town Board of Commissioners adopted a resolution supporting the upcoming bond vote on May 8<sup>th</sup> to fund **new elementary schools in Aberdeen, Southern Pines, and Pinehurst**. If approved, the elementary school in Aberdeen will be the first of the three schools to be constructed. The planned facility will combine the existing Aberdeen Primary School and Aberdeen Elementary School into one school for grades K – 5<sup>th</sup>. Both of the existing Aberdeen schools were built over 70 years ago and are in need of

improvements. The site for the new school is in the Aberdeen town limits just off NC Highway 5 to the west past Allison Page Road. At this website please find more information about the upcoming bond referendum

<https://www.moorecountync.gov/bonds>

The Town intends to have available the staff's **recommended budget** for FY 18/19 on May 7<sup>th</sup> for review and to receive public comment and consider its adoption at the May 29<sup>th</sup> regular meeting.

## 2017 Water Quality Report

This report is a snapshot of water quality for 2017. Included are details about your source(s) of water, what it contains, and how it compares to standards set by regulatory agencies. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water and to providing you with this information because informed customers are our best allies. We want

our valued customers to be informed about their water utility.
